September Greetings

Hello, everyone! September promises to be another great month at our community. Fall will be here soon, bringing cooler temperatures and the rich colors of falling leaves. Check out this month's calendar and be on the lookout for details about fun fall activities that we have planned. Have a great September!

Upcoming Community Events

- 09/03 Kaiser Workshop
- 09/05 Fresno Gumyo Taiko
- 09/11 Patriot Day: First Responders' Lunch
- 09/12 Mid-Autumn Festival
- 09/15 Resident Forums

Positive Thought

"Aging is not lost youth, but a new stage of opportunity and strength." —Betty Friedan

September 2026

Employee of the Month

Congratulations to Evangelina Diaz, Medication Aide/CNA, on becoming Employee of the Month. Evangelina consistently demonstrates what it means to put people first by providing our residents with warm hospitality, heartfelt

compassion, dignity, and respect. She approaches every responsibility with professionalism, integrity, and a genuine desire to make a positive difference in the lives of the residents. Throughout her years with the company, she has continued to excel in everything she does. She is dependable, knowledgeable, and always willing to go above and beyond to ensure our residents receive exceptional care. She contributes to an environment where teamwork and trust are valued, supports her coworkers, and can be counted on to step up whenever needed. Her positive attitude and willingness to help make her an invaluable part of our team. She truly embodies our values of serving our residents and one another with respect, fostering an inclusive culture, and creating a wonderful place to call home. Her dedication, compassion, and consistent pursuit of excellence make her a role model for those around her. We are incredibly grateful for her years of service and the heart she brings to our cognitive community every day.

Remember and Honor

We invite you to take part in this year's First Responders' Lunch held on Friday, September 11th, from 11am to 1pm.

The Vineyards and California Armenian home reserve this day to honor and recognize the first responders in our local community for their hard work and service.

Within the past few years, our event has grown and expanded to local law enforcement units along with the Fresno fire department, and paramedics. We encourage you to take the time to come out and meet our community first responders while enjoying a meal prepared by our culinary team. We thank all departments that come together to make this event possible for all to enjoy.

Grandparents Day

Grandparents have been celebrated throughout the centuries as men and women of wisdom, but it wasn't until 1978 that they received their special day when the United States followed the lead of West Virginia in honoring grandparents. President Jimmy Carter signed the order proclaiming the first Sunday after Labor Day as Grandparents Day. The holiday has three purposes: to honor grandparents, to give seniors the opportunity to show love to their children's children and to help children become aware of the strength, information and guidance older people can offer. Please join us as we honor the greatest generation—our grandparents.

Proud Grandparent

Sylvia R. and granddaughter, Gabrielle

Gabrielle R. enjoys doing fun things with her grandma, Sylvia, such as visiting the Vineyards and enjoying a cup of ice cream on a hot summer's day.

Fun in the Sun

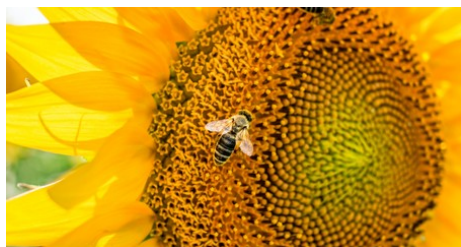

Hot summer days are just about over. Our residents in our Cognitive care residence took advantage of the warm temperatures to have fun in the sun. With the assistance of the lifestyles team, maintenance, and care team, our residents also got a quick wash down on wheelchairs and walkers. Activities like these are sure to be a great way to bring the community together and bring smiles to our residents' faces.

National Assisted Living Week is Sunday, September 13th, through Saturday, September 19th. This week provides a fabulous opportunity to bring together the residents, families, employees, and volunteers within the assisted living community to celebrate our elders and the services they provide.

The memories and heritage of senior citizens are priceless and extremely important to preserve.

Did you know? Sunflower seeds have many nutritional benefits. They are rich in vitamin E, which keeps your heart healthy and fights infection, and are a good source of selenium, which helps repair damaged cells. Sunflower seeds have magnesium and copper, which promote bone health. Magnesium can also reduce the severity of asthma and help prevent migraine headaches.

If we are willing to listen, we can learn much from their experiences and use them to enrich our own lives, as well as future lives and generations to come.

Please join our upcoming celebratory activities in which we celebrate all who are part of our community, including our care staff, who play an important role in our assisted living community. Thank you for your dedication, compassion, and your commitment to providing a wonderful place to call home for our residents.

Register to Vote!

Each September, National Voter Registration Day encourages eligible citizens to register to vote. Since 2012, over 6 million people have registered to vote on this day, allowing more voices to be heard on both national and local issues. Check your voter registration status at Vote.gov and make sure your information is up-to-date.
